

wireless headpods™

Enjoy your music while escaping the hassle of wires, compatible with all Bluetooth devices. Built-in mic and music audio controls feature on the LED earpiece allowing for enhanced usability and convenience, compatible with all iPhone handsets. With a 10m range and Bluetooth version 4.0, you can connect to Bluetooth devices in your bag or pockets, or roam about the room while streaming from a tablet or aptop. Listen up to 8 hours on a single charge and a handy wired connection means you don't have to rely on having fully charged headphones to feel the full range of all your music wherever you are. Fold up and stash in your handy BOOMPPODS neoprene travel bag and you're ready to go.
