

downdraft

wireless portable speaker

Despite its compact size, this rechargeable speaker has awesome sound quality. The downdraft's wireless technology means you can stream music from any Bluetooth enabled device. Uses Bluetooth v4.0 transmission with an operating range of up to 10 metres and also supports wired media devices with a 3.5mm audio cable. No batteries required with a built-in rechargeable lithium battery and is lightweight and small enough to fit in a backpack, briefcase or handbag. Its unique pod form gives immense sound with a 3W speaker and up to 8 hours playback.
